Mix & Match any 3 Spa Services below:

Mini Massage

Designed for site specific massage such as neck, shoulders, or problem areas or as a quick massage refresher to relax and renew.

Salt Spa Session

Relax and breathe easy with our unique and naturally effective therapy for respiratory conditions, skin, better sleep & stress reduction.

Restore Room Session

Increase energy, lighten mood, relieve muscle tension and improve brain/body balance with one or all four of our Qi Garden therapies.

Head Trip

Whether headache pain, sinus pressure or scalp massage – our therapists use a combination of treatments to offer needed relief.

Hot Stone Back Indulgence

Warm smooth stones are used to promote deep muscle relief, increase circulation and alleviate tension in the back.

Sole Serenity

Hot towel foot wrap, exfoliating lower leg and foot scrub followed with a relaxing foot massage and rejuvenating leg gel.

Total Tranquility

Incredibly tranquil facial massage to enhance deep relaxation and ease pain by using hot towels, marma-point massage and aromatherapy.

Essential Manicure

Thorough nail and cuticle care, nail shaping and filing, exfoliating scrub and lotion application, completed with the nail color polish of your choice.

Foot Stress Reliever

Treat your feet to a foot soak, foot and lower leg scrub, acupressure foot massage and refreshing citrus-mint foot gel and spritz.

Essential Pedicure

Foot soak, exfoliating scrub, thorough nail and cuticle care, nail shaping and filing, complete with the nail color of your choice.
